Allocation of Research Supervisor : Eligibility criteria to be a Research Supervisor, Co-Supervisor , Number of M.Phil./Ph.D. scholars permissible per supervisor, etc. (Ordinance 6)

- Any regular Professor of the University with at least five research publications in refereed journals and any regular Associate/Assistant Professor of the University/college with a Ph.D. Degree and at least to research publications in refereed journals shall be eligible to be a Research Supervisor. Provided that in areas/disciplines where there is no or only a limited number of refereed journals, the University through Research Degree Committee may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.
- Only a full time regular teacher of the University/college can act as a supervisor. The external supervisors shall not be allowed. However, Co-Supervisor can be allowed in inter-disciplinary areas from other departments of the same University or from other related institutions with the approval of the Research Degree Committee.
- The allocation of Research Supervisor for a selected research scholar shall be decided by the Department concerned depending on the number of scholars per Research Supervisor, the available specialization among the Supervisors and research interests of the scholars as indicated by them at the time of interview/viva voce.
- In case of topics which are of inter- disciplinary nature where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Research Supervisor from the Department itself, who shall be known as the Research Supervisor, and a Co-Supervisor from outside the Department/Faculty/College/University on such terms and conditions as may be specified and agreed upon by the consenting University/College.
- A Research Supervisor/Co-supervisor who is a Professor, at any given point of time, cannot guide more than three (3) M.Phil. and Eight (8) Ph.D. scholars and an Assistant Professor as Research Supervisor can guide up to a maximum of one (1) M.Phil. and four (4) Ph.D. scholars respectively.
- In case of relocation of an M.Phil./Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate, provided that all the other conditions as laid down in the Ordinance are followed in letter and spirit and the research work does not pertain to the project secured by the parent University/supervisor from any funding agency. The scholar will however give due credit to the parent guide and the institution for the part of research already done.
